

## Presentation of [www.sodena.eu](http://www.sodena.eu)

We are proud to announce the launch of a new design of our website.

Screenshot of the welcome page at [www.sodena.eu](http://www.sodena.eu)

The **NEW** design of SODENA website aims at providing you better service and clearer presentation of the company and its development.

The team of SODENA is looking forward to keeping in touch with you and providing the feedback you need.

Visit regularly our **NEW** web-site to:

- make your requirements
- put your questions
- share your ideas
- leave your comments

Let our mutual cooperation develop our businesses.

### **Contacts:**

[web\\_contact@sodena.eu](mailto:web_contact@sodena.eu)  
[info@sodena.eu](mailto:info@sodena.eu)

### **You will find:**

Commercial and technical information on our latest products.

A download area to get leaflets and brochures.

What we are able to do for you: actual studies, development, research, customization, simulation.

The list of events or exhibitions where SODENA will be present.

A reference list of all realized projects.
